5. Contracting Authority

Italian Agency for Development Cooperation – Yangon Office (AICSY)

6. Nature of contract

Global Price

7. Contract description

The Contract intends to provide qualified Technical Assistance to the Myanmar Department of Archaeology and National Museum (DOA) in protecting, managing and valorizing the religious sites of Mrauk U in the perspective of submitting the monumental site to the World Heritage List. The Technical Assistance requested shall be directly responding to the needs of the DOA and highly qualified from the scientific and cultural point of view. **Eligible Italian Academic Institutions** having substantial background in conservation science and conservation projects are encouraged to apply. The Contract will be awarded to the best compliant offer. The applied criterion of evaluation is the best value for money, weighing the technical offer, the proposed time for implementation and the financial offer on a 60/10/30 ratio respectively. The Contract will be signed between the successful tenderer and the Italian Agency for Development Cooperation – Yangon Office.

8. Indicative budget

Estimated budget for the Tender will not exceed 270.000 Euro

9. Intended timing of publication of the contract notice

January 2019

10. Additional information

No clarification shall be asked at this time to the Contracting Authority. The Tender Notice will be published in the AICS Rome website, AICS Yangon website, and in the website of the Italian Embassy in Yangon.
