

**Invitation to bid for IT equipment supply for FERD (Naypyidaw) for the project activities of the Italian Agency for Development Cooperation – AID 11087.**

**ANNEX F  
TECHNICAL OFFER**

The technical offer consists in:

- a) A **control table** that proves the availability of the items requested (see “Annex A – Terms of reference” as well as the list below).
- b) A **project timeline chart** that shows the contract execution timeline proposed by the bidder based on the main milestones of i) delivery of products, ii) installation, iii) run diagnostics;

**Control table**

- The bidder will declare that it is able to provide the correspondent requested item with a signature on the relative “Availability” cell.
- If the correspondent requested item is not available, the bidder shall specify in the following column (“If the item is not available, detail the alternative model proposed (better characteristics, same brand”) the new item proposed, which has to be of the same brand and of a superseding model (in terms of characteristics). For these new items, the detail and the specification of the technical characteristics have to be attached to the form.

IT Equipment	Brand	Quantity	Availability	If the item is not available, detail the alternative model proposed (better characteristics, same brand). Technical specifications to be attached	Notes	Type of Warranty
